Summary

No email, chat, or support ticket was received from this customer requesting a refund or reporting unauthorized billing before the dispute was filed on 24 July 2026.

Account activity (self-service)

The customer independently registered and used BookAI without contacting support:

- 16 Jul 2026 — Account created with email Emoor120@eq.edu.au
- 16 Jul 2026 — Created book: "My Plan when I feel sick or worried"
- 16 Jul 2026 — Started AI book generation (FULL_BOOK job)
- 17 Jul 2026 — Completed Stripe Checkout for Premium subscription (2-day free trial)
- 19 Jul 2026 — \$30.00 charged when free trial converted to paid subscription (Invoice CKOKDVIN-0002)

The customer had full access to cancel via Dashboard !' Billing or the Stripe Customer Portal at any time. No cancellation or refund request was made prior to the dispute.

Conclusion

This charge reflects authorized recurring subscription billing after a disclosed free trial, not an unrecognized or fraudulent transaction. The customer actively signed up and used the service before being billed.
