Section 5 — Subscriptions and refunds

Paid plans are billed in advance. You may cancel at any time. Refunds are offered at our discretion unless required by law. Free trial limits are described on the pricing and billing pages.

Free trial disclosure

BookAI Premium includes a 2-day free trial. During checkout, customers are informed that billing of USD \$30.00/month begins after the trial unless they cancel. Payment method is collected at signup to enable seamless conversion to paid subscription.

How to cancel

Customers may cancel at any time from the BookAI dashboard under Billing, which opens the Stripe Customer Portal to manage or cancel their subscription. Cancellation stops future charges; access continues through the current paid period.
